1. Housing

Unfortunately our university does not have a student dormitory. Assistance to find proper housing can furthermore not be guaranteed for all students. Making reservations and finding a guarantor will be the responsibility of the visitor. The rent of private housing depends on location, the length of stay and available services, and costs between 25.000 ~ 95.000 yen a month. Especially for short stays it can be difficult to find economical apartments.

The list below contains guesthouses and hotels within 20 min. walking distance, accommodations for students / scholars and apartments.

If you cannot find suitable accommodation near to the university, we advise you to look for a place with a good public transport connection to our university. When you know your address please inform your department and the International Academic Exchange Center. Also please inform us if you change your residence.

2. Registration

If you stay for longer than 3 months you will need to register at your local ward office (*Kuyakushō*). Please go within 14 days after your arrival and bring your passport and residence card with you. In case you move, also please report this within 14 days.

3. Insurance

We ask exchange students to make sure they are properly insured during their stay in Japan. If you stay for more than three months you are required to enroll in Japanese Health Insurance. In order to enroll, please go to the health section at your local ward office, and bring your residence card and passport. If you move, please make sure to register this, or your insurance might not be valid.

- We advise foreign students to have additional insurance for repatriation in case of illness or injury.
- You are welcome to join sports and other recreational activities, please do note that unless stated otherwise injuries etc. are at your own risk.

4. Transport

Arrival Students who will stay for longer than 3 months will receive a registration card when they arrive at Kansai International Airport. From the airport you can take the train (1h 15 min), or bus (1h 25min, 2,550 yen) to Kyoto station. Shared shuttle taxi's drop passengers off directly at their lodgings. Shuttle taxi's need to be reserved in advance. For more information please see the airport's [website](#).

Bus Several [bus lines](#) stop right in front of the University Hospital. If you use the bus daily a monthly commuter pass might be a good option.

Subway Subway Kitayama station is close to the university's Shimogamo Campus. Marutamachi and Imadegawa stations are about a 20 minute walk from the main campus. For more information on the bus and subway, please see this [link](#).

Train The Eizan and Keihan railway offer a good connection to the main campus. Just like the bus they offer commuter passes with discount. At "[Hyperdia](#)" you can get more information on timetables, routes and prices of trains.

Bicycle Many students use bicycles as a cheap and fast option to get through town. Rental bicycles can be found from 3.000 yen a month.

Throughout town there are shops selling second hand bicycles. It is obligatory to register your bicycle at purchase for a fee of 500 yen. Please make sure to keep your registration paper. In case of theft the police will look for your bicycle. Also if you borrow a bicycle please make sure to know on whose name it is registered. If you are stopped by the police they might ask you whose bicycle it is.

Please make sure not to park your bicycle in areas which are banned for bicycle parking (near stations and on shopping streets). There is a large risk involved of having to go to a far of location to get your bicycle back for a hefty fee. Finally, drunk cycling is prohibited and ill advised.
